ACCESSING DAYMAP PARENT PORTAL

The Daymap parent portal gives you access to student timetables, attendance to classes, assessment tasks, school messages, school newsletters and school reports. The following instructions will help you gain access to the Daymap parent portal.
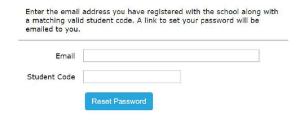

1. Navigate to https://www.mtbhs.sa.edu.au/ in your preferred web browser.

2. Click the **PORTALS & LINKS** button at the top right of the page. Then click on **Parent Portal Access**.

3. If you are a new user click the **Can't access your account?** hyperlink, otherwise you are able to login with your username and password. (Note, this must be done through a **web browser** and NOT the Daymap App)

4. You will be prompted to enter an email address and a student code. The email address is the same one you registered with the school. The student code is their Daymap login and can be found on your student's timetable (it will be the first part of their email address, eg: **John.Student123**)

5. An email will be sent to you, and it will allow you to set your password.
Then repeat steps 1, 2 and 3 but instead of clicking the **Can't access your account?** hyperlink, enter your username (email) and password to login.
